"The most fantastic place to stay
coupled with a great family of hosts"

Welcome

Enjoy the peace of a rural retreat after a stressful day. From our elegant 200-year-old farmhouse that has been in our family for over 100 years, you can enjoy the stunning views and immaculate gardens. Our 160-acre working farm has a herd of milking Friesians producing your daily pint.

We have been providing bed and breakfast to our guests for over 20 years. Our free-range hens provide part of your hearty breakfast, bacon and sausages are supplied by our prestigious Clewlovs butcher, cooked in our large Aga kitchen – the hub of the house.

Early breakfasts catered for – home produce our speciality, on arrival homemade cakes are served in the guests' lounge.

Accommodation

We can offer 2 charming en-suite bedrooms with TV, radio and hospitality trays. Both rooms offer plenty of space to relax and be quiet, with facilities for the guest who wants an office environment.
